

“Communicate” your way to Success

By Helen Sophia Chua Balderama
Manitoba Start, 27 February 2014

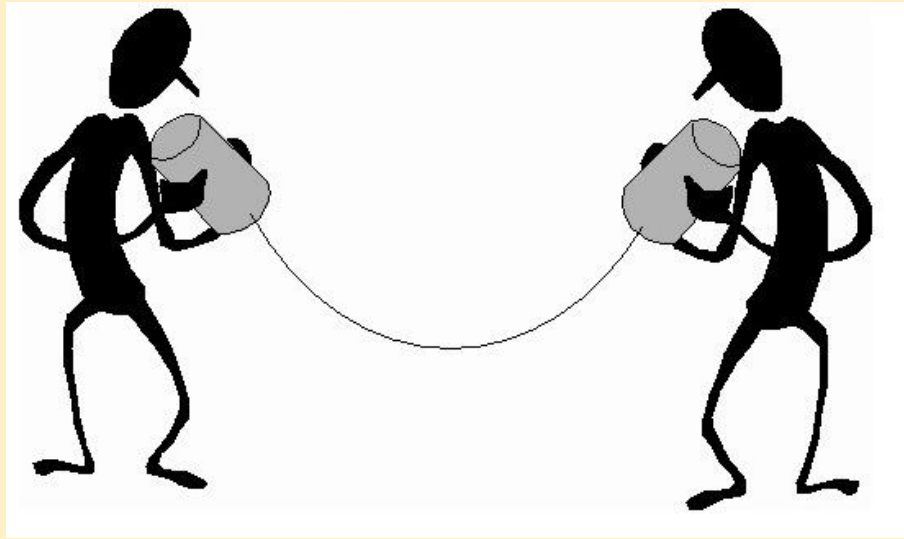

Communication

- Imparting or exchanging information
- Conveying or sharing ideas and feelings
- A sender, a message, and a recipient

Communicate your way to Success

Why communicate?

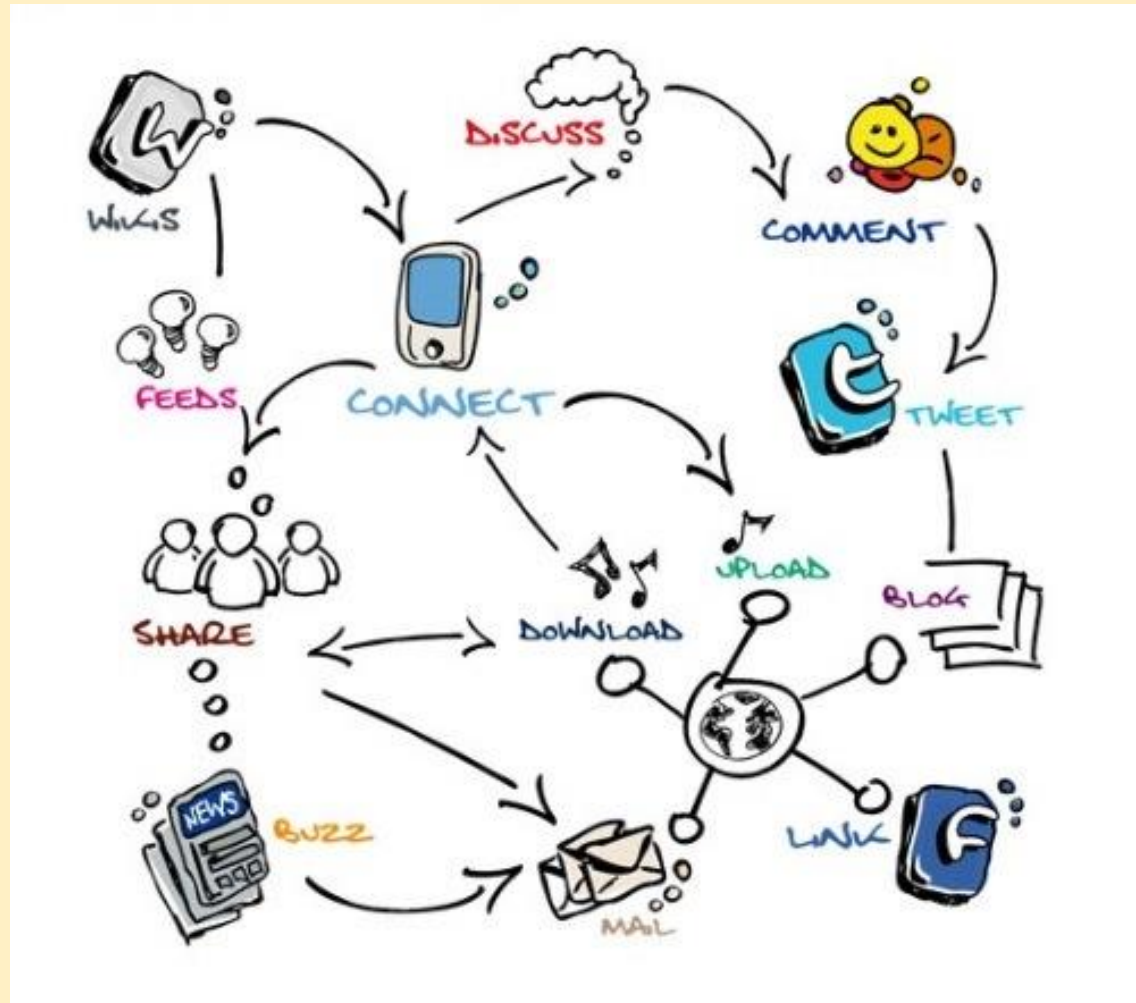

Communicate your way to Success

- Relationships

Communicate your way to Success

- Communal and global exchange

Communicate your way to Success

- **To be successful in our chosen...**

Communicate your way to Success

Communicating in the Workplace

Communicate your way to Success

Communicate your way to Success

- Building relations (colleagues, clients and partners)
- Participating in work teams
- Facilitation and coordination
- Taking part in trainings and learning activities
- Leadership (presentations, delegating tasks; mentoring; supervising)

Communicate your way to Success

Some tips:

1. Listen and be open to new ideas
2. Share ideas; communicate knowledge
3. Ask questions; clarify
